DEA DRUG ENFORCEMENT ADMINISTRATION
MUSEUM

Presents

Remembering Kiki

Through the Eyes of his Family, Friends, and Colleagues

October 26, 2021

11 am - noon

Streaming at:

<https://www.deamuseum.org>

The DEA Museum's tribute to Enrique "Kiki" Camarena features never-before seen interviews honoring the man whose death inspired the creation of Red Ribbon Week.

Camarena dedicated his life to helping others before he was brutally tortured and killed in the line of duty.

Every year millions of people across the United States pledge to live healthy, drug-free lives in his memory.

Hosted by
Joshua Edmundson
Curator of Education
